axis

The Axis ball is constructed with synthetic polyurethane leather and features a shiny scuff-resistant PU top-coat. The inside of the ball is made with multilayered diagonally-stretched laminate, this ultimately translates into a soft touch. The Axis meets FIFA demands for all levels of competition and exceeds FIFA-inspected test criteria. It's also NFHS certified.

Model: 90080
Material: Synthetic Leather with PU Top Coat
Size: 5
MSRP: \$55.00

axis sala

The Axis Sala is a synthetic leather ball with an abrasion-resistant coating and a dense microcellular PVC substrate on a light fabric support. This makes for a soft outer cover, perfect for Futsal. This ball is also fitted with a stuffed bladder for low bounce and good air retention.

Model: 90085
Material: Synthetic Leather with Abrasion Resistant Coating
Size: One Size
MSRP: \$30.00
