## cadiz

The Cadiz Sock features a polypropylene foot and a nylon leg. The first of its kind for Kelme, this sock is all about design and comfort. The polypropylene foot features embedded silver-ion based antimicrobial agents to help battle bacteria and odor. The nylon leg boasts a mesh vent in the back for optimal breathability with added arch and ankle supports to help reduce foot fatigue and increase circulation.

**Model:** 92020  
**Material:** Foot - Polypropylene  
Leg - Nylon / Spandex  
**Sizes:** Youth / Adult
